## Lesson 1: Have in Bengali Made Easy: have → থাকা (thaka)

Learn how to say have in Bengali with a fun, bite-sized lesson that jumps from English to Bengali smoothly. Master I have, you have, he has, she has, it has, we have, you have (plural), and they have with real-life examples like আমার আছে (amar achhe), তোমার আছে (tomar achhe), তার আছে (tar achhe), এর আছে (er achhe), আমাদের আছে (amader achhe), তোমাদের আছে (tomader achhe), and তাদের আছে (tader achhe). We'll also spotlight the base verb have → থাকা (thaka) and the key possession pattern in Bengali. Perfect for English speakers learning Bengali fast – with humor, drills, and a quick quiz.

## Welcome to SynapseLingo

Hey you, great to have you here! This episode is brought to you by SynapseLingo – grab more goodies at [www.synapse-lingo.com](http://www.synapse-lingo.com).

Today we conquer the English have and its Bengali superpower: থাকা (thaka). In daily talk, you'll mostly use patterns like I have → আমার আছে (amar achhe). Buckle up, you language ninja!

---

## Your goal today

You'll learn to say every flavor of have – fast, friendly, and funny. Say them out loud with me.

- Word spotlight: have → থাকা (thaka).
- I have → আমার আছে (amar achhe).
- You have (singular, informal) → তোমার আছে (tomar achhe).
- He has → তার আছে (tar achhe).
- She has → তার আছে (tar achhe).
- It has → এর আছে (er achhe).
- We have → আমাদের আছে (amader achhe).
- You have (plural) → তোমাদের আছে (tomader achhe).
- They have → তাদের আছে (tader achhe).

## Mini-dialogue: The tickets

Act it out with me – be dramatic; the ticket inspector is watching.

- A: Do you have the tickets? You: Yes, I have them → আমার আছে (amar achhe).
- Friend: Does he have the keys? You: Yup – he has them → তার আছে (tar achhe).
- Inspector: Do you (all) have IDs? Group: Yes, we do → তোমাদের আছে (tomader achhe) / We have → আমাদের আছে (amader achhe).
- You: Relax, the phone – yep, it has charge → এর আছে (er achhe) battery.

## Call-and-response drill

I'll say the English cue; you fire back in Bengali. Ready?

- Cue: I have time. You: আমার সময় আছে (amar shomoy achhe).
- Cue: You have a pen. You (singular): তোমার কলম আছে (tomar kolom achhe).
- Cue: He has a plan. You: তার একটি পরিকল্পনা আছে (tar ekti porikolpona achhe).
- Cue: She has tickets. You: তার টিকিট আছে (tar tiket achhe).
- Cue: It has two options. You: এর আছে দুটি বিকল্প (er achhe duti bikalpo).
- Cue: We have snacks. You: আমাদের নাস্তা আছে (amader nasta achhe).
- Cue: You have umbrellas (plural you). You: তোমাদের ছাতা আছে (tomader chhata achhe).
- Cue: They have time. You: তাদের সময় আছে (tader shomoy achhe).

## Culture tip: How Bengali says “have”

Tiny trick, huge win. Bengali uses a ‘with me there is’ pattern.

Instead of a verb like “I have,” you’ll say “with me there is”: I have → আমার আছে (amar achhe); You have → তোমার আছে (tomar achhe). The negative flips to “don’t have”: I don’t have → আমার নেই (amar nei); They don’t have → তাদের নেই (tader nei). Remember, the base verb ‘have’ is থাকা

---

(thaka), but daily possession uses the pattern with আছে (achhe)/নহে (nei).

## Funny remix: Own it!

Let's lock in the forms with a silly rhyme you can't un-hear.

Have the vibe, high-five the tribe! I have – আমার আছে (amar achhe); you have – তোমার আছে (tomar achhe); he has / she has – তার আছে (tar achhe); it has – এর আছে (er achhe); we have – আমাদের আছে (amader achhe); you have (plural) – তোমাদের আছে (tomader achhe); they have – তাদের আছে (tader achhe).

## Lightning quiz

Quick fire – answer fast, no coffee spills!

- Translate “I have a book.” → আমার একটি বই আছে (amar ekti boi achhe).
- Translate “You have three options.” (plural you) → তোমাদের তিনটি বিকল্প আছে (tomader tanti bikalpo achhe).
- Translate “He has cash.” → তার নগদ টাকা আছে (tar nogod taka achhe).
- Translate “She has time.” → তার সময় আছে (tar shomoy achhe).
- Translate “It has a camera.” → এর আছে একটি ক্যামেরা (er achhe ekti camera).
- Translate “We have tickets.” → আমাদের টিকিট আছে (amader tikit achhe).

- Translate “They have a car.” → তাদের একটি গাড়ি আছে (tader ekti gari achhe).

## Your turn: 7-second challenge

You've got this – say it before the pause ends!

- Say “I have coffee.” → আমার কফি আছে (amar coffee achhe).
- Say “You have a message.” (singular) → তোমার একটি বার্তা আছে (tomar ekti barta achhe).
- Say “We have a plan.” → আমাদের একটি পরিকল্পনা আছে (amader ekti porikolpona achhe).
- Say “They have time.” → তাদের সময় আছে (tader shomoy achhe).

## Wrap-up

Nice work – your brain officially has superpowers.

Today you mastered have: have → থাকা (thaka); I have → আমার আছে (amar achhe); you have → তোমার আছে (tomar achhe) / তোমাদের আছে (tomader achhe); he has / she has → তার আছে (tar achhe); it has → এর আছে (er achhe); we have → আমাদের আছে (amader achhe); they have → তাদের আছে (tader achhe). Thanks for listening! Keep practicing a little every day, and for more lessons, quizzes, and resources, visit [www.synapse-lingo.com](http://www.synapse-lingo.com). This episode was brought to you by SynapseLingo – see you next time!

## Lesson 2: English – Bengali to be: হওয়া (howa) Made Easy

Master the English – Bengali verb to be – হওয়া (howa) – with a fun, fast lesson. We'll cover I am আমি (ami), you are তুমি আছো (tumi achho), he is সে আছে (se achhe), she is সে আছে (se ache), it is এটা (eta), we are আমরা আছি (amra achhi), you (plural) are তোমরা আছো (tomra achho), and they are তারা (tara). Perfect for English speakers learning Bengali basics for travel, school, or chatting with friends. Brought to you by SynapseLingo – visit [www.synapse-lingo.com](http://www.synapse-lingo.com) for more resources.

### Welcome to SynapseLingo

Hey you! Ready to have fun while learning Bengali? Let's jump into the superpower verb to be.

This episode is brought to you by SynapseLingo – your daily boost for smart language learning. Visit [www.synapse-lingo.com](http://www.synapse-lingo.com) for guides, flashcards, and more. Today's star is to be = হওয়া (howa). Let's roll!

### Your Goal Today

By the end, you'll say who is where, fast and confidently.

- You'll learn these essentials: to be হওয়া (howa); I am

আমি (ami); you are (singular) তুমি আছো (tumi achho);  
he is সে আছে (se achhe); she is সে আছে (se ache).

- Plus: it is এটা (eta); we are আমরা আছি (amra achhi);  
you are (plural) তোমরা আছো (tomra achho); they are  
তারা (tara).

### Quick Forms: Say It with Me হওয়া (howa)

Repeat after me – clear and confident. I'll cue English, you speak the Bengali.

- to be → হওয়া (howa)
- I am → আমি (ami)
- you are (singular) → তুমি আছো (tumi achho)
- he is → সে আছে (se achhe)
- she is → সে আছে (se ache)
- it is → এটা (eta)
- we are → আমরা আছি (amra achhi)
- you are (plural) → তোমরা আছো (tomra achho)
- they are → তারা (tara)

### Laugh \ Learn: Mini Dialogue

Enjoy this silly scene and echo the Bengali bits.

- A: I lost my map – but hey, you are here! → you are:  
তুমি আছো (tumi achho).
- B: Relax. We are together → আমরা আছি (amra achhi).

---

- A: Where's Rafi? He is probably behind us → he is: সে আছে (se achhe).
- B: And Sara? She is at the snacks! → she is: সে আছে (se ache).
- A: Look – there's the sign. It is blue → এটা (eta) blue.
- B: Great, the team is complete – they are here → তারা (tara) here!
- Narrator: Moral of the story – be cool and just be → to be: হওয়া (howa).

## Call-and-Response Drill

I say English, you shout the Bengali. Ready?

- I am → আমি (ami)
- you are (singular) → তুমি আছো (tumi achho)
- he is → সে আছে (se achhe)
- she is → সে আছে (se ache)
- it is → এটা (eta)
- we are → আমরা আছি (amra achhi)
- you are (plural) → তোমরা আছো (tomra achho)
- they are → তারা (tara)

## Culture Tip: Sound Natural

Here's a tiny tip that pays off big.

In Bengali, for identity like “She is a teacher,” you typically don’t use the presence form সে আছে (se ache); you just say the noun phrase. Use আছে (ache) forms mainly for presence/location like “She is here.”

## Speed Round: Spot the Form

Hear the cue, say the Bengali fast – then I confirm.

- Cue: it is → Answer: এটা (eta)
- Cue: we are → Answer: আমরা আছি (amra achhi)
- Cue: they are → Answer: তারা (tara)
- Cue: you are (plural) → Answer: তোমরা আছো (tomra achho)
- Cue: to be (base verb) → Answer: হওয়া (howa)

## Funny Memory Hook

Lock it in with a smile – your brain loves jokes.

A buzzing bee says, “I’m a B – ee!” The Bengali bee corrects it: “I’m to be – হওয়া (howa)!” Now every time you hear a bee, you’ll remember to be.

## Your Turn: Mini Challenge

Create quick lines – pause, think, and say them out loud.

- Say: I am here → include আমি (ami).

---

- Say: you are ready (to one friend) → use তুমি আছো (tumi achho).
- Say: he is here and she is there → use সে আছে (se achhe) and সে আছে (se ache).
- Point to an object and say: it is mine → start with এটা (eta).
- Announce for your group: we are at the park → আমরা আছি (amra achhi).
- Address your team: you are awesome (plural) → তোমরা আছো (tomra achho) awesome!
- Introduce winners: they are the champions → start with তারা (tara).

## Wrap-Up and Next Steps

You crushed it – nice work!

Thanks for learning with SynapseLingo. Keep practicing to be = হওয়া (howa), plus your forms: আমি (ami), তুমি আছো (tumi achho), সে আছে (se achhe)/se ache (se ache), এটা (eta), আমরা আছি (amra achhi), তোমরা আছো (tomra achho), তারা (tara). For more episodes, cheat sheets, and quizzes, visit [www.synapse-lingo.com](http://www.synapse-lingo.com). See you next time!

## Lesson 3: English to Bengali: go = যাওয়া (jaowa)

Brought to you by SynapseLingo, this fun English-to-Bengali lesson teaches you how to say go as যাওয়া (jaowa) and master everyday forms. Practice I go আমি যাই (ami jai), you go তুমি যাও (tumi jao), he goes সে যায় (se jay), she goes সে যায় (se jaay), it works এটা কাজ করে (eta kaj kore), we go আমরা যাই (amra jai), you (plural) go তোমরা যাও (tomra jao), and they go তারা যায় (tara jay). With mini-dialogues, culture tips, drills, and a quick quiz, you will remember fast and smile while learning.

### Welcome

Hi, this podcast is brought to you by SynapseLingo. For more resources and freebies, visit [www.synapse-lingo.com](http://www.synapse-lingo.com).

Today we power up your Bengali with the English verb go as যাওয়া (jaowa) and all its handy daily forms. Pack your humor, your headphones, and a tiny imaginary cape.

### Your goal today

You will confidently say go in Bengali in all the forms you need. Repeat out loud and enjoy the ride.

---

- Base verb – go: যাওয়া (jaowa)
- I go: আমি যাই (ami jai)
- You go (singular): তুমি যাও (tumi jao)
- He goes: সে যায় (se jay)
- She goes: সে যায় (se jaay)
- It works: এটা কাজ করে (eta kaj kore)
- We go: আমরা যাই (amra jai)
- You go (plural): তোমরা যাও (tomra jao)
- They go: তারা যায় (tara jay)

## Pronunciation and forms

Say it with me, clearly and boldly. Smile while you speak; it actually helps.

- Base go is যাওয়া (jaowa) – soft j as in joy, then ow-a.
- I go – আমি যাই (ami jai). You go – তুমি যাও (tumi jao).
- He goes – সে যায় (se jay). She goes – সে যায় (se jaay).
- We go – আমরা যাই (amra jai). You (plural) go – তোমরা যাও (tomra jao). They go – তারা যায় (tara jay).
- Tech check phrase you will love – it works: এটা কাজ করে (eta kaj kore).

## Mini dialogues

Listen in and imagine the scenes. Repeat the Bengali parts out loud.

- A: The light turned green. B: You go – তুমি যাও (tumi jao).
- A: Where is Amir now B: He goes to class – সে যায় (se jay).
- A: Is Anna leaving B: She goes now – সে যায় (se jaay).
- A: Did the fix help B: Yes, it works – এটা কাজ করে (eta kaj kore).
- A: Ready, team B: We go – আমরা যাই (amra jai).
- Coach: Group A, you go left – তোমরা যাও (tomra jao) বামে (bame).
- Look, the students are moving. They go – তারা যায় (tara jay).

## Culture tip

Make friends with tiny phrases that unlock conversations.

In German you may hear es geht for it works or it is okay; in Bengali say it works as এটা কাজ করে (eta kaj kore). In fast city life, planning when to go is an art, and Dhaka traffic agrees, so be quick to say We go – আমরা যাই (amra jai).

## Speed drills

Rapid-fire time. I cue English, you fire back in Bengali.
