- she is... ella és!

You: Hi, I am new – jo sóc nou aquí. Host: Great! You are the first today – ets el primer avui. Pointing across the room: He is the organizer – ell és l'organitzador. She is the photographer – ella és la fotògrafa. You point at the snack table: It is delicious – és deliciós. A group waves: We are the study squad – som l'equip d'estudi. Shakespeare goes Catalan as “Ser o no ser” – to be or not to be. At human towers (castellers), the crowd roars “som una pinya!” – we are one base. In stadiums you’ll hear “sou els millors!” – you are the best. Keep the accent in és; without it, you’ve got a different word.

- Translate: I am → sóc.
- Translate: you are (singular) → ets.
- Translate: he is → ell és.
- Translate: she is → ella és.
- Translate: it is → és.
- Translate: we are → som.
- Translate: you are (plural) → sou.

- Translate: they are → ells són.
- Bonus: the base verb be → ser.

Challenge and outro

Time to lock it in with a fun challenge.

- Challenge: Record yourself saying all nine in order – be, I am, you are, he is, she is, it is, we are, you are (plural), they are – then give the Catalan: ser, sóc, ets, ell és, ella és, és, som, sou, ells són. Post it to your study chat for instant hero status.
- Thanks for listening! Keep practicing a little every day, and when in doubt, breathe and say it again. This episode is brought to you by SynapseLingo – grab more lessons, transcripts, and drills at www.synapse-lingo.com. You've got this!

Lesson 3

Lesson 3: Learn Catalan Fast: go = anar – English – Catalan Verb Sprint

Learn the essential present-tense forms of the Catalan verb anar (“to go”) with rhythmic drills, mini dialogues, and a quick quiz. Practice jo vaig, tu vas, ell va/ella va, anem, aneu, ells van, plus the casual va fent. A fast, friendly session for English speakers building Catalan confidence.

Welcome to SynapseLingo

Hey you, ready to level up your Catalan in a fun sprint? Let's make it stick and smile while we do it!

This show is brought to you by SynapseLingo – your smart companion for language breakthroughs. Visit www.synapse-lingo.com for free guides, drills, and more. Today we crack the verb “to go”: English to Catalan, sim-

ple, rhythmic, and a bit silly so you remember it forever.

Your goal today

You'll speak and understand the most common forms of "to go" in Catalan with confidence.

- Source words roll-call: go, I go, you go, he goes, she goes, it's going, we go, you go (plural), they go.
- Catalan toolkit: anar, jo vaig, tu vas (you go, singular), ell va, ella va, va fent (it's going), anem, aneu (you go, plural), ells van.
- Tip: In real life, you'll hear these everywhere – from metro signs to café chit-chat.

Forms with rhythm

Clap or tap along – rhythm makes memory sticky. Ready?

- I go – jo vaig. You go (sing.) – tu vas. He goes – ell va. She goes – ella va.
- We go – anem. You go (plural) – aneu. They go – ells van.
- Infinitive "go" – anar. Casual status "it's going" – va fent.
- Chant it smooth: jo vaig, tu vas, ell va, ella va, anem, aneu, ells van. Your brain is dancing already.

Mini dialogues

Let's drop you into tiny scenes you can act out right now.

- A: How's the project? B: Va fent.
- A: Ready? Let's go! B: Anem!
- A: You go first; I go after. B: Okay – tu vas primer, jo vaig després.
- A: He goes by bus; she goes on foot. B: Ell va en autobús; ella va a peu.
- A: Where do we go? B: Anem al parc. If you're a group, you go this way: aneu recte i després a l'esquerra.
- Narrator: It's Saturday, and they go to the market – ells van al mercat, obviously for churros.

Culture tip

A little culture color helps phrases lock in.

In Catalonia, weekend hikers love to say *anem* right before the first step – it's the green light word. At *castellers* (human towers), one nod from the leader and boom – *anem* and the whole team moves as one. In small talk, “*Com va?*” often gets the chill reply *va fent* – like saying “it's going,” calm and steady.

Quick quiz (you've got this!)

Answer out loud. Then I'll reveal it. No pressure – only progress.

- Translate: they go → Answer: ells van.
- Translate: we go → Answer: anem.
- How do you say: it's going → Answer: va fent.
- You go (plural) – say it → Answer: aneu.
- He goes → Answer: ell va.
- She goes → Answer: ella va.
- I go → Answer: jo vaig.
- Go (infinitive) → Answer: anar.
- You go (singular) → Answer: tu vas.

Fun challenge + wrap-up

Time for a tiny story using everything – you can do it!

- Challenge: Say a 2 – 3 line story that includes these English prompts – go, I go, you go, he goes, she goes, it's going, we go, you go (plural), they go – sprinkling the Catalan: anar, jo vaig, tu vas, ell va, ella va, va fent, anem, aneu, ells van.
